Sanctuary seating restrictions until further notice

Capacity for the sanctuary is set currently at 36 participants for safety reasons. This number is difficult to define and is somewhat flexible. See below to find out how to best sit physically distanced from others.

Every other pew is marked as occupiable, beginning with the first row in each aisle. Please abide by these restrictions when you enter the sanctuary.

Family members are permitted to sit together in the same pew.

Non family members in the same pew need to sit physically distanced from the other. The CDC recommends 6 ft. Two or three individuals could sit distanced in the same pew.

Like the rest of the building, masks are required in the sanctuary until further notice.

Please use hand sanitizer before and after leaving the sanctuary.

If ushers are available at the gathering or service, please follow their guidance to help you find a safe seat.

Thank you for your help & understanding!

Please do not use the narthex as a gathering space until further notice. Only use the narthex as you travel to and from the sanctuary.
